Dear Mr. Fleck:

The Division received your request to extend the time to respond to the Mid-term review deficiencies on October 9, 2018. It is our understanding that PacifiCorp intends to apply for bond release for those areas of Rilda Canyon that have been reclaimed in the near future. With this commitment, the Division will extend the time to respond to the Mid-term deficiencies to March 1, 2019. We encourage you to submit the bond release application as quickly as possible.

If you have any questions, please call me at (801) 538-5325.

Sincerely,
